Periodic & Partial Payment Policy

If you send us your payment with additional funds and don't specify how you want that money applied, we will first post payment(s) to bring your loan current. Any remaining money will then be applied based on a payment hierarchy towards outstanding fees before any funds are posted as a principal reduction. Funds may be applied based on the perceived customer intent. For example, if the received amount is equal to the periodic payment plus an exact match to outstanding late charges, Pennymac may apply the excess funds to late charges rather than applying excess funds to other outstanding balances. If the money you sent wasn't enough for a periodic payment, it will be applied to your loan as unapplied funds. We may accept a payment that is less than your periodic payment by an amount up to \$10.00. We will use a corporate advance, which will be billed to your account, to make the full periodic payment. Depending on the requirements of your loan documents, owner/insurer/guarantor of your loan or applicable law, and depending on the status of your account, partial payments that are outside the tolerances described above may be promptly returned to you, applied to your account, or held in a non-interest bearing account until additional funds sufficient to equal a periodic payment are received.

Refinancing your existing loan may result in your total finance charges being higher over the life of your loan.

*In eligible fixed-rate purchase loan transactions, Pennymac will pay 1% of the note rate for the first 12 payments of the loan. This offer effectively reduces the rate of the loan by 1% for the first year of the mortgage. The payment of 1% by Pennymac will be accomplished through a custodial escrow account, to be funded by the lender-paid credit. The amount totaling the difference of 1% between the note rate and the temporary buydown rate will be dispersed to the escrow account, and the funds will be dispersed from the escrow account to the investor to account for the difference in interest during the buydown period (the first 12 months of the loan). The offer excludes Jumbo, Closed-End Second and Adjustable-Rate Mortgages, refinance, investment property, third-party and in-process loans. The offer cannot be redeemed for cash or credit and is non-transferable. Occupancy restrictions may apply. Pennymac reserves the right to change or cancel the offer at any time, without notice. Additional restrictions or conditions may apply.

**Customers with a Pennymac BuyerReady Certification prior to locking any Pennymac purchase loan get \$1,000 applied as a discount off total closing costs and/or principal curtailment, subject to investor guidelines. Excludes Jumbo, refinance, third-party and in-process loans. Offer subject to change or cancellation without notice.
